Solving ancient mysteries.

"The Ancients" knew much more than given credit for regarding Life, The Universe, Astronomy, Advanced Mathematics, Magnetism, Healing, Unseen Forces etc.

Encoded knowledge is information that is conveyed in signs and symbols and we can find this knowledge all over the world. All these ancient sightings and geometric patterns (Sacred Geometry) symbolise unseen forces at work. We are being lied to by the media. Modern archaeologists don't know what they're talking about. "The Ancients" were not stupid or primitive. We just failed to de-code this knowledge conveyed in signs, symbols and ancient artwork. This kind of information is kept hidden from the public.

Scientists don't know what holds the universe together, the answer is sound and unseen forces. Matter is governed by sound frequencies. There is much more to life than we can perceive with our 5 senses. The question then becomes "who or what governs unseen forces?" What is behind the symmetry throughout nature? (Golden Ratio, Phi, Fibonacci Sequence etc.) It simply can't be just coincidence, in my opinion there is an intelligent mind / consciousness behind all

this that keeps it all together.

The pyramids are proof, that a more advanced civilization once existed on earth. And i know how crazy it is to claim that our history books are lying and not telling the truth, yet all the evidence points to this conclusion, im just wondering how even Michael Jackson was aware of all that. He tried to warn us, but most of us failed to listen, like always.

Wake up and stay tuned for Part 4, including very rare and suppressed evidence.

Ancient Sightings / Sites, Machu Picchu, Giza, Easter Island, Cuzco, Saqsayhuaman, Ollantaytambo, Peru, Stonehenge, Nasca, Mexico, Mayan, Aztecs, Yonaguni site off the okinawa coast japan, Underwater pyramids.

Solving ancient mysteries Part 4.

Coral Castle is a lime stone monument that sits in "Homestead" Florida. The builder of Coral Castle "Edward Leedskalnin" claimed to know the secrets of the ancient builders and he proved it by building coral castle. The secret is magnetism and anti-gravity. He built a magnetic device to nullify or heavily reduce the weight of those enormous stones, so he could easily set them into place, if not levitate them. He left clues for us, and we can also find these same clues / symbology in the Norman Hall (Grand Masonic Lodge) in Philadelphia. The secrets of magnetism are encoded in the artwork designs. The freemasons have kept these secrets forever, but the times of secrecy are now over. The global awakening has begun and we need to rewrite our history books. They're not telling the truth. Wake to this fact.

Solving ancient mysteries Part 5.

This Episode deals with highly controversial topics that might be very confusing to some viewers. Nikola Tesla, Energy, Coral Castle, Tablet of Shamash, Planet Saturn, Hexagonal Vortex Feature on Northpole, Magnetism, Coded Media, Hurricane Sandy, Winterstorm Athena, Giants, Nephilim, Mythology and much more.
